What's On: Weekly Diary Dates

MANOR PARK ACADEMY

The week that was:

We had Year 5 going down the coal mines in Yorkshire on Tuesday and Year 3 at the Think Tank today. Both year groups did us proud with behaviour and attitudes to learning. Year 1 wowed us with an assembly on their Space topic on Wednesday. They showed their talents and it was amazing. Well done Year 1 and the staff supporting them.

Next week is "Love week" run by the Aston House. It is a week when we do random acts of kindness to brighten up someone's day especially in this wild weather.

On Friday it is "Wear it Red," a donation of £1 is required and the money will be donated to charity.

Nuts in school

A polite notice that nuts should not be brought into school as we have a number of pupils and staff who suffer from allergies and this could bring up a severe, and in some extreme cases, life threatening reactions.

Thank you for your cooperation.

School lunches

Can we just remind parents/carers that your child must choose at the start of the half-term whether they will have a school meal or have a healthy packed lunch from home. Once they have made their choice they must stay with this option throughout the term. If they then want to change, please let Miss Moorhouse in the school office know.

All children in Reception, Year 1 and Year 2 are entitled to universal free school meals, however if your child is in Year 3 or above and you are not entitled to free school meals then the cost is £10.25 per week payable in advance through www.eduspot.co.uk

If you have any queries about any of the above information please ask at the school office.
