The week that was...

Coffee Morning for Mothering Sunday

What an amazing turnout for our coffee morning celebrating mothers and other significant women in our children's lives. It was well organised by Miss Green and the children played their part with messages on how much they love their mums and all the things you do. The Nursery children did their bit as well to say how much they love their mums and again thank you for the turnout to their special event. Thank you to Miss Nathwani and Mrs Khan for organising this event. I hope that Sunday is a very special day for you all.

Osborne Tower Demolition

Parents are invited to a meeting on **Wednesday 3rd April at 9am in the school hall** regarding the Osborne Tower demolition. This is an important meeting to discuss not just how the tower will be taken down but also about the disruption to the roads, access etc. Following this meeting at 10am, there will be an assembly for children detailing how the tower will be demolished as well as staying clear of demolition sites etc.

Term Time Holiday Requests

We are receiving a lot of requests for term time leave. Can I make it clear that we **cannot** authorise these requests.

Pupils are in school for **190 days** a year which means there are **175 days** left for passport renewals, holidays etc.

Please work with us.

Our attendance has been the best it has been in a very long time, 96.5% since September. Every time we have significant absence it doesn't just affect your child's education, but the attendance of the whole school. If we are going to be **outstanding overall** we need your support.

Have a great weekend

Mr Wilson
