Headteacher's Message

Dear Families,

Many thanks to those parents who completed an expression of interest in after school wraparound provision. There was a low response to the survey; however, Clubs Complete have applied for funding to get the provision up and running from January 2025. If successful, this funding will allow the provision of wraparound for one year even if the number of children attending falls below the usual minimum numbers for the Club to run. I will send out further information once we know if the funding bid has been successful. The school is keen to provide this service for the school community.

This week in school, our Year 5 children had a great experience during their STEM workshop. They learnt what the key skills are that an engineer needs and worked together to find a way to drop an egg from a height...without it cracking! They were great ambassadors for the school and hopefully we have inspired some engineers for the future. Many thanks to the specialists from The Smallpeice Trust who came into school to deliver the workshops.

Also, this week our Year 3 children achieved their Caring Campaigner 11BEFORE11 promise! Laura Khan from RSPCA came into school and taught us how litter endangers wildlife. The children went on a local litter pick and collected 3 rubbish sacks full of litter within 2 hours! Next week, we are hoping to offer our Year 2 children the same opportunity. To find out more about 11BEFORE11, please visit our website page <https://www.manorparkacademy.co.uk/news-events/11-before-11-events/>.

A special thanks to Mr James who organised the litter picks and made sure that everyone had a great time, as well as helping the local community.

Next week, our Phonics Workshops take place for parents and carers, to find out how we teach early reading in school and to find out how you can support at home. KS1 is on Monday 25th November and Reception is on Tuesday 26th November.

Our upcoming Festive events have been added to the School diary so please check at the end of the Newsletter or visit our online calendar at <https://www.manorparkacademy.co.uk/school-calendar/month/> which is regularly updated.

Finally, a reminder that school is closed for pupils due to staff training on Friday 29th November.

Have a lovely weekend.

Kind regards,

Christine Chapman

Headteacher

Apply for free school meals

[Apply for free school meals - GOV.UK \(www.gov.uk\)](http://www.gov.uk)

Dear Parents and Carers,

Did you know that by registering your child for free school meals, you're not only ensuring they get a nutritious, hot meal every day but also supporting our school's funding? Every child who is

registered for free school meals generates extra funding for the school, which we can invest directly back into your child's education and wellbeing. This funding helps us provide more resources, better learning environments, and additional support for our pupils. While all children in Reception, Year 1, and Year 2 (as well as those under the Mayor's Meals scheme in London) automatically receive free school meals, we only receive extra funding if you officially register your child. Please read the attached letter for information on how to apply.

FREE Vouchers for Milk and Food

What is Healthy Start?

If you're more than 10 weeks pregnant or have a child under 4, you may be entitled to get help to buy healthy food and milk.

If you're eligible, you'll be sent a Healthy Start card with money on it that you can use in some UK shops. We'll add your benefit onto this card every 4 weeks.

You can use your card to buy:

-
- *plain liquid cow's milk*
 - *fresh, frozen, and tinned fruit and vegetables*
 - *fresh, dried, and tinned pulses*
 - *infant formula milk based on cow's milk*
-

You can also use your card to collect:

-
- *Healthy Start vitamins – these support you during pregnancy and breastfeeding*
 - *vitamin drops for babies and young children – these are suitable from birth to 4 years old*
-

*For more information and **to apply online**, please click the link [Get help to buy food and milk \(Healthy Start\)](#)*

We have a number of children (and grown ups!) who have nut allergies in school. With such allergies, sometimes just being around nuts (smell and touch) can trigger a dangerous allergic reaction.

Please do not send any products containing nuts into school.

Thank you,

Becky Lewis

Deputy Headteacher

Safe Treat List - Important

We do not want to prevent children from bringing in treats for their friends if it is a special occasion such as a birthday. This is a long standing tradition that we would like to continue but it must be safe for all children.

Please see ideas for safe treat options that do not contain nuts below;

-
- Cadbury Dairy Milk
 - Cadbury Twirl
 - Cadbury Caramel
 - Cadbury Wispa
 - Cadbury Eclair
 - Cadbury Fudge
 - Cadbury Crunchie

- *Cadbury Buttons*
 - *Galaxy Minstrels*
 - *Galaxy Milk Chocolate*
 - *Galaxy Caramel*
 - *Galaxy Ripple*
 - *Mars bar*
 - *Kitkat (original)*
 - *Halal Haribo*
 - *Cadbury's Heroes (but remove mini Double Deckers - they are not made with nuts but made in a factory that processes nut products)*

Safeguarding and Wellbeing Update - Spending and Saving

10 Top Tips for Parents and Educators

EDUCATING CHILDREN ON SPENDING AND SAVING

Evidence shows that children's spending habits begin to form as early as seven years old. With primary schools in England not required to teach financial literacy, many young people are reaching adulthood without knowing the basics of budgeting. This guide explains how to teach young people about money in a practical way, giving them the understanding to become savvy spenders and savers.

1 PROVIDE POCKET MONEY

Giving children money – even a small amount – can help them learn to make their own budgeting decisions about how to spend or save it. Research shows that youngsters who receive pocket money are more likely to become adults with strong financial skills and significantly less debt.

2 USE A PREPAID CARD

Being able to pay by card is essential these days, with some retailers not accepting cash since the pandemic. Prepaid debit cards are available for children from the age of six, allowing them to get used to spending like they will as adults with no risk of dipping into an overdraft. Learning about money is like learning to swim – you need to get in the pool and have a go!

3 PRACTISE BORROWING

Although official borrowing is only available to over 18s, kids need to understand how debt and interest works before they become adults and are exposed to credit cards or buy now, pay later schemes. For a safe means of teaching them about this, parents could offer them extra pocket money but explain that it needs to be paid back by a certain date, plus an extra couple of pounds as interest.

4 ENCOURAGE OPEN CONVERSATION

Chatting about money and how much things cost will teach children that finance is a part of everyday life and not some "scary adult thing". Parents can involve them in budgeting for the weekly shop, for example, working together to get everything on the list while keeping the total below a certain number. Letting young ones make spending decisions in a safe space can build up their confidence regarding money.

5 DISCUSS THE PRESSURE TO SPEND

Whether it's YouTube ads or a hint of envy at a friend's recent purchase, spending triggers are everywhere. Encourage children to notice how clever shop design (like placing sweets at the checkout) and offers such as '2 for 1' deals entice us to spend more. Challenge them to resist impulse buys by getting them to sleep on it before deciding to spend.

6 TELLING 'NEED' FROM 'WANT'

Learning how to prioritise spending is an important life skill: the difference between life's essentials and "nice to haves" is key to budgeting. If children pester you for treats while shopping, it's the perfect time to say "That's a want. We're getting our needs first." You could show how you budget for food, electricity and so on before buying fun things.

7 ENCOURAGE SAVING

Getting children saving early can set them up with a useful habit for their adult life. Suggest that they set something aside every time they receive money and help them set a target for how much to put away, so they feel motivated to continue. For example, encouraging them to save for a friend's birthday gift can get children much more invested in what they buy.

8 SPARK INTEREST IN INTEREST

Motivate children by telling them about interest; you can describe it as a reward for saving money. Explain how everything they put away will grow over time. As an exciting example, explain that if doubled every day for a month would amount to approximately £10 million. Some prepaid cards for young people also offer interest; parents and carers could also add a little to supplement what their child saves and show how it works.

9 PAYING FOR CHORES

This is a complex debate with no right or wrong answer: it depends on what works for each individual family. However, it can be one of the best ways to teach children that money needs to be earned and helps to create more mindful spenders. If parents aren't keen on paying for everyday chores, they could ask the children to suggest their own ideas for earning a little extra.

10 PROTECT CHILDREN FROM SCAMS

Scams are a terrifyingly easy way to lose money, and children are generally more likely to be taken in due to a lack of experience with these financial criminals. As a minimum, make sure they're aware of the most common scams they could be exposed to – by text, email and phone, for instance. Young people should tell a trusted adult about any unexpected message or call and never give out their personal information.
