

Trips, Visits and Workshops 2025-2026

Dear Parents and Carers,

This letter is to make you aware of trips and visits already planned for the next academic year, to enable families to be able to budget accordingly, particularly in these times of rising prices and financial pressures.

Trips and visits provide our children with a broad, rich set of experiences and give them the opportunity to visualise, experience and discuss information on a topic that they have been learning in school. As well as offering unique cultural experiences, they can also allow children to be involved in new environments and encourage curiosity about a given subject.

Family workshops and invite events also enable us to share how we teach your child in school and to offer guidance and support about how you can help your child at home.

To support the learning in school and to provide enriching experiences next academic year, we have produced an overview of planned trips and visits for each year group. There are many visits which are local, to parks or venues within walking distance. We have also included the 11BEFORE11 Promises for each year group. These are subject to change due to availability or unforeseen circumstances.

We have estimated costs for your child's trips which require financial contributions from families, for entrance and/or transport costs. We will aim to keep costs below £50 per child for the academic year and to give parents and carers as much notice as possible for payment. Please contact school if you need support with payment for trips.

Thank you for your support,

Christine Chapman

Headteacher

| Year Group | Term | Trip |
|------------|---------------|--|
| Reception | <i>Autumn</i> | Parent Reading Sessions - Every Wednesday 8.40-8.55am |
| | <i>Spring</i> | Parent Reading Sessions - Every Wednesday 8.40-8.55am Parent Workshop – Start Well Change 4 Life Farm Visit |
