

Hero Winter 2026 Menu - Week 1 - JUNIOR

NUTRITION INFORMATION

(in g per standard portion)

Carbohydrate Information: The calculation of the carbohydrate content (in gram) is based on the nutritional information of all the RAW ingredients and therefore counting all carbohydrates in the products used in the preparation for this menu.

It is possible that there will always be a certain degree of variation in portion size for any given food, depending on factors including the cooking method, length of cooking time, temperature, amount of water used and surface area of the food.

All appropriate processes will be managed but please note that no guarantees can be given. Therefore, the portion sizes should be treated as estimates.

The carbohydrate counts should be used as a guide only, for the person responsible for administering insulin. Also, informed by resources such as carbs and cals, with training provided by an appropriate healthcare professional.
